**\*\* Resorts Set the Stage for Lasting Family Travel Memories \*\***

**Oranjestad, Aruba – (May 24, 2010)** – With family vacations leading travel growth in 2010, the Divi & Tamarijn Aruba All Inclusives provide the ideal setting for creating family vacation memories that can last a lifetime. Mom and Dad, the kids and even the grandparents will discover plenty of activities and opportunities to share unforgettable moments and experiences at these two adjacent beachfront properties.

The [Divi Aruba](#) and the [Tamarijn Aruba](#) feature a wide variety of [dining](#) and [activity](#) choices to ensure that each and every family member can enjoy themselves. Offering guests the full use of all the services, facilities and amenities of both resorts when staying at either one, there are plenty of options to suit everyone's preferences. Plus, the properties are located adjacent to each other along a stretch of sandy beach, so nothing is ever more than [a few steps away](#).

The little ones might like one of the many available [beach and water sports activities](#), while teens might want to try scaling the 30-foot outdoor rock climbing wall on the beach at the Divi Winds Sports Center. Dad can go sunfish sailing or work out in the air-conditioned, oceanfront fitness center. Moms might always fondly remember their quiet time relaxing on the beach with a favorite book or taking a dance lesson, while grandparents traveling with the family might prefer to take the casino games master class, go on a bike tour or try their hands at arts and crafts so they can bring home a souvenir of the trip.

In addition to all the things each family member can do on their own, there are just as many choices to entertain the whole group together that they will reminisce over for years to come. Since dinner is traditionally when families gather together, the choice of [9 dining outlets](#) allows for them to frequent a favorite or try them all. The [nightly entertainment](#) ranges from dance shows and live music to Karaoke and more, so there's amusement for

all ages. Or, the adults can swap stories over a cocktail together at one of properties' [bars and lounges](#).

For even more value, book the [Divi & Tamarijn Aruba All Inclusive Family Package](#), which is now offered year-round at both properties! With this package, as many as 2 children up to age 17 can stay, play and eat FREE ALL INCLUSIVE year-round when sharing a room with two paying adults. Also included are guaranteed oceanfront accommodations with a spacious patio or balcony and the use of the Children's Camp for kids ages 5-12 from Monday through Friday, which offers plenty to keep the kids busy such as scavenger hunts, pool and beach games, face painting, Papiamento lessons, snacks, movies and more.

No matter how a family likes to spend their vacation, there are plenty of options for tranquility or carefree fun available [all inclusive](#), making the Divi & Tamarijn Aruba a parent's natural choice for a great family getaway that creates memorable experiences.

Located just thirty minutes from the airport and five minutes from Aruba's capital city, Oranjestad, the Divi & Tamarijn Aruba All Inclusive resorts are set on beautiful Druij Beach, with a shopping arcade and the Alhambra Casino nearby. Guests staying at either the AAA 3-Diamond [Divi Aruba](#) or the adjacent, oceanfront [Tamarijn Aruba](#) have [use of all facilities and services of both properties](#).
