#### **Bunker Bar**

The all inclusive Bunker Bar is set out over the water and is popular not only for its perfect beach-front location but also for its history. Beneath the Bunker Bar is a military bunker that was built in 1941 during World War II. To maintain the authenticity of the structure, it was updated to feature a section of glass flooring to view the bunker. With new bar chairs and furnishings, The Bunker Bar is the perfect place to unwind over a wide selection of original, local cocktail mixes. The Bunker Bar is open from 11 a.m. to 6 p.m. and offers cocktails, beer and wine.

## **Beach Bar**

The newest Beach Bar is not only a great place to take a break from the sun, but it's also the perfect spot to end the night with live music, delicious food and friendly bartenders. Opening at the end of 2019, the Beach Bar features a custom mural by Leon Keer, one of the world's leading artists in anamorphic street art. The Beach Bar is an optional experience for guests and is not included in the all inclusive package and is open from 11 a.m. to 10 p.m. The menu features traditional Dutch-style dishes, house-made burgers and more. ## **Fitness and Water Sports Center**

Named one of the best hotel gyms in the world, the brand-new oceanfront fitness center features state of the art cardiovascular equipment and stunning ocean views from its second floor location above the Beach Bar and Water Sports Center. With weekly amenities such as bike tours and tennis clinics, guests can take advantage of pre-planned activities during their stay. Other wellness activities include beach volleyball right outside of the gym, water aerobics in the pools, hatha yoga and salsa dance lessons. The centers are open from 6:30 a.m. to 7:30 p.m. daily with personal trainers available every Tuesday to Sunday from 11:30 a.m. to 7:30 p.m.

Located right outside the fitness center, guests can climb to new heights and see the beautiful view from up top of the 30' rock climbing wall. Guests can also dive into the fun with select water sports, including snorkeling, beginners windsurfing, catamaran sailing and vacation-friendly floats and kayaks.

Both oceanfront properties bookend an expansive stretch of beach in the authentically Aruban Divi community. Walkable to shops, restaurants and Alhambra Casino, the seafront properties are low profile and nestled among tropical foliage with views of the pristine waters and palapas dotting the beach.
