ORANJESTAD, ARUBA, October 26, 2021 – [Divi](#) & [Tamarijn](#) Aruba All Inclusives is pleased to announce it has been recognized in the 2021 Travel Weekly Magellan Awards Hospitality category. The all-inclusive resorts received [Gold for Overall Best Beach Resort or Hotel](#) and [Silver for Safety Innovations](#). The Magellan Awards honor outstanding design, marketing and services in a broad range of industry segments including hospitality, travel destinations, cruise Lines, online travel services, airlines and airports, travel agents and agencies, tour operators and ground transportation.

“It is an honor to be included in the 2021 Travel Weekly Magellan Awards,” shares Marin Bijl, general manager of Divi & Tamarijn Aruba All Inclusives. “To be recognized for our safety innovations is a true testament to our commitment to the well-being of our guests, team members, vendors and local community. We look forward to continuing to offer guests a superior all-inclusive experience through exceptional hospitality and customer service.”

Expertly pairing its world class hospitality and all-inclusive amenities with enhanced health and safety policies, [Divi](#) & [Tamarijn](#) Aruba All Inclusives make navigating the current travel landscape worry- and hassle-free. With the growing demand for all-inclusive travel, what distinguishes Divi & Tamarijn Aruba All Inclusives is the fact that guests staying at either property have access to the amenities of both properties, allowing them to enjoy two resorts for the cost of one.

Furthering their commitment to exceed guest expectations, in June 2020 the resorts announced their new health and safety program, CLEAN CHECK, which follows the guidance of the Centers for Diseases Control and Prevention (CDC) and the World Health Organization (WHO), alongside the Aruba Ministry of Health’s Gold Seal validation, to ensure the well-being of all guests and employees. In addition, the resorts also offer onsite PCR testing to better serve guests and meet the needs of today’s international traveler.

The Magellan Awards are judged and overseen by a one-of-a-kind panel of top travel professionals representing the best names and most accomplished leaders from the industry. In determining winners, entries do not compete with one another, instead they are judged against a standard of excellence based on the long experience of Travel Weekly. To uphold this high standard of excellence, a category may have multiple winners, or may have no winners at all.

“Each year, we recognize industry innovators and creative communicators through our Magellan Awards. This year, we recognize the resilience, ingenuity and path forward created by those who shared their company’s initiatives through words, images and design, and kept travel part of the conversation and part

of the equation,” said Arnie Weissmann, editor in chief of Travel Weekly. “We salute all those who entered and all those who won.”
